Bigger story

PRAYING
FOR OUR
CHILDREN

Starts with prayer, ends with action.

Praying For Our Children was born out of a mother's trials and her desire to ensure the well being of her children. She discovered keeping them "covered with prayer" was the answer to all her concerns. This blanket is a symbol of what it means to be covered with prayer. It provides protection, comfort, warmth and security from one who sees and knows All things.

Keep your child covered with prayer.
